He who receives a favor should never forget it; he who does one should never

It is an excellent rule to be observed in all disputes, that men should give soft words and hard arguments, that they should not so much strive to vex as to convince each other.

Application is youth makes old age com-

Advise not what is most pleasant, but what is most useful.

To believe a business impossible is the way to make it so.

Better do well late than never.

Evils brought upon ourselves are most

An oak is not felled with a single blow. Deserve success and you shall command

It is human to err, but diabolical to per severe in error.

A young man idle, is an old man needy. A man that breaks his word bids others

Either a man must be content with povhimself some laxuries, and save, to lay the base of independence in the future. But, if a man defies Fortune, and spends all he earns (whether his earnings be one dollar or ten dollars every day) let him took for lean and hungry Want, some future time. for it will surely come, no matter what he

Jeremy Taylor quaintly says of marriage that it bath in it the labor of love, the delicacies of friendship the blessings of society and the union of hearts and hands It hath in it less of heauty, but more of safety, than a single lite: it is more merry and more sad, fuller of joys and sorrows; it lies under more burdens, but is support ed by the strength of love and charity; and these burdens are delightful.

GIVING AND BECKLYING .- Is it not a higher function to impart than to receive? Think of all the good a fellow man might require for body and mind, heart and soul for the life that now is and the life that is to come. He faints in weakness and wants a strong, sustaining arm thrown around him. Which would you rather be, the fainting man or the strong supporter,! He is hungered and must be fed; thirsty, and some hand must lift a cup of water to his thirsty lips. He is ignorant and must be enlightened. He is out of the way and in his Address delivered before The New must be led into the right path. He is York Historical Society. "Is a passion of the way and must be led into the right path." He is or he will fall into shame. Which now is nent in which we live. Here it burns with superior all along: the man who receives heat and with splendor beyond all Grecian or the man who communicates in these and all Roman example. It is not a light manifold exigencies? Is it not more to in the Temple of Minerva; it is not the manifold exigencies? Is it not more to be the author and maker of happiness, than simply to rejoice over some acquisiin the heart of another, and of one who is glorious shipings; and although the personnel of pleasurable emotions in and the entiment are the same, yet he in his own heart, —Rev. A. L. Stone D. D. who would reason from Grecian liberty or in his own heart. - Rev. A. L. Stone D. D.

## Desultory

THE JEWISH DIETARY SYSTEM. The dietary code relates almost entirely te animal food. Nove of the products of circumstances forbidden, nor is the man-ner of their use limited. There is, in fact, in reference to them no dietary law whatever of practical importance, except, as I shall presently show, in connection with the Passover lestival.

As to animal food, the first ordinance requires that the quadruped, fowl or fish, shall be, in the Biblical sense, "clean."— The law on this point is laid down in Leviticus xi. and is partially reterated in a tremendous crash, as he was very heavy dergone na alteration. There we see that quadrupeds, to be fit for food, must chew the gud and be gloven footed; and some that are clear and a number, that are for bidden are particularly mentioned. large a little on this list, we may say that among animals not eaten are, of course, the horse, the ass, the squirrel and the rabbit. Those tamed delicacies, bears' paws and beaver's tails, are in the catalogue of he mentioned this coincidence; He had a the prohibited. In China an orthodox he lesser in his hand, which he had just reraclite cannot partake of the cat, nor in served from his son Henry, living in Kansas City. His son wrote: "Are you well; if he can have it properly slaughtered, for last night I had a dream that troubles

twenty-four. All others are regarded as clean; the only difficulty consists in identifying those that are by name forbidden. The translations of this list differ widely, and among Talmudic commentators there is the same uncertainty as with later scholis the same uncertainty as with later scholthe possibility of mistake notwithstanding has impressed the subbins so gravely than they have advised the acrupulous Israclite after all to eat of no fewl unless he is con vinced, for remons beyond these suggested peculiarities, that it does not belong to the prohibited two dozen. It may be stated as a general rule that all birds of prey are forbidden, and that birds which feed on grains are clean. Mhis is, of course, a more agreeable classification to the Israelitish epigure than that of quadrupeds.-

PATRIOTISM.

unveiled a monument to the soldiers who fell in the war, at Lancaster, on the 4th. The oration on the occasion was delivered by Ex. Gov. Andrew G. Cortin, who, is the course of it, said ; "My friends, it is common to speak of patriotism. Each in-I think we all are, During the war we were, in Pennsylvania, almost a united wish there had been none. But what is particularly particularly in the love of home, the introduction of the love of home, the interpolation of the love of home, the introduction of the love of home, the love of the love

the country, and cisims as fellow-citizens ate. this State and with all the pride we may feel in our magnitude, in our history, in our resources, and of all the comforts of

A personal tribute was paid briefly to Gen, Reynolds by the Ex Governor, in these words. "I cannot recall the names of the men in this county who perished in the war; but it cannot be invideous in in this presence to speak of one whose untimely fate would have been thought too great s cost for any victory in a cause less sacred than that of which he had fived and for which he so nobly died. Gen. John Reynolds had no unperior and few rivals in the armies of the Government in singleness of purp se, promptness of action, pure integ calls of du'y wand you can, as his fellow eitizens, claim a large measure of pride that he was born and lived and is buried

A NEW WORK. A work of unique interest in the "Statistical Atlas of the United States," by F. A. Walker, which, with the descriptive their inherent tenuency was degrading, letter press, is to be published under an approp lation by Congress. It will consist and awakened and stimulated the passion of fifty maps, in which will be shown, by an ingenious adjustment of shades of color the relative proportion of the prevalence of certain features in the different parts of ers and sisters, and had developed into our country. Part I. will consist of maps drunkards and gambiers away from home. illustrative of the phys cal features of the United States, embracing its river systems and forest growths, its Geometry. Hypso-metry and Meteorology. This part is al-most wholly made up of contributions from eminent men of science, and from

the ceusus. It will be published soon.

Part III. has just been published. It contains a ghteen maps and charts illustra-

ting the vital statistics of the census .-They present, in a beautiful and intelligi ble manner, the predominating sex, the birth rate, the ratio of deaths by consump tion, malarial diseases, intestinal diseases, and cerebro-spinal and typus fevers, the distribution of blindness, deaf mutism, insanity and idiocv, by setes, colors and nativities in the different States and Territo-

THE LOVE OF LIBERTY.

"The love of liberty," says Mr, Webster is sorrowful, and must be comforted. He in the Grecian Republics, and in the betis tempted; and must be succored with ter ages of Rome. It exists now, and, first some quickening and streng hening call of all, on that por ion of the western conti vestal flame of Rome: it is the light of the fun - it is the illumination of all the con stallations. Earth, air, and ocean, and all ent feelings of one who produces gladness the heavens above us, are filled with its Roman freedom to our intelligent Ameri can liberty, would be holding a farthing candle to the orb of day.

INGULAR INCIDENT CONTLOTED WITH BIS HOP LEE'S DRACH. A private letter from Davenport, Iowa,

We have been very anxions the last tw weeks over the illness of Bishow Lee which terminated in his death on Saturday norning. The whole community are sad by the event. Some two months ago he got up in the night and took a at that." bath, and on returning to his room made a mistake and stepped of a long flight of stairs, and landed at the foot with the entry. He got up, however, without std, and seemed to have received no injury except a few alight bruises, though his right hand was a little lamed, Mr. H. and muself salled on him two days after, and walls selling us the circumstance of the fall he mentioned this coincidence; He had a if he can have is properly alsoughtered, for last night I had a dream that troubles there is no sufficient reason why, on the western prairies, he should not feast on the arrory hump of the buffale.

Of fowls that are uncleon, we find in the chapters referred to an enumeration of a control of the dream of the dream

ars. They have suggested certain peculiarities in the formation of the feet and stomach as marking the unclean bird; but
the possibility of mistake notwithstanding
has impressed the rabbins so gravely that ed the Bishop's death. His hand became intensely painful, and gangrene set in, which, after two weeks of suffering, termin-

AUTUMN LEAVES.

Gathering and preserving autumn leaves at this season or e of the employments of is at this season or e of the employments of ladies and young people. On this subject Harper's Bassar, says : "If you like your leaves rarnished, copsi varsish is the sort to use, but it must not be applied until the leaves have been for some days or even weeks under a heavy weight, laid smoothly between layers of soft paper. You may dispense entirely with varpish if you prefer, and may insure to yourself the simost perfect preservation of the original copy by using layers of raw cotton instead of by using layers of raw cutton instead of paper when you put your leaves aside to dry. When thoroughly dried they may be applied to many ornamental uses. A painted wreath or other combination of foliage may be so perfectly imitated that only his touch can convince the beholder that the picture is not the work of an artist's pencil. This is done by applying people. There were not many 1 only his touch can convince the beholder

County with you, because it is so beautiful, board. The picture may be enclosed in a its soil as productive, its people so agree able socially t. No; patriotism is a higher and holier sentiment. It is that impulse to be preserved from injury. Pretty mats of the heart which takes in the whole country. That patriotism only is valuable with a border of leaves, and for this purpose out to the strength of the preserved. which reaches out to the utmost part of pose maple leaves are especially appropri-

of which heads this article. The paster tated that amusements were proper for the purpose of recreation. Many of them lie along the line of danger, and we need to be guarded in our enjoyments. The popular games of the day could be divided into three groups. Those that are invigor-ating, such as base ball and cricket; those that, like the others, require skill, but can not be commended as health improving, such as choss and checkers, which, although which was too expensive to be indulged in by many at home, and surrounded by evil influence abroad. The last group, which included games of chance, cards, dominoes and dice, were condemned without qualification. They were a waste of time, without any compensating benefit; their history and associations were bad : and they were a doorway of temptation, for gambling. Several and facts were nar-rated of children who had learned to play for amusement at home among their brothers and sisters, and had developed into

## Home Scenes and Reflections.

A loving child obeys a parent as the

What a meaning and unique expression was that of a young Irish girl who was rendering testimony against an individual in a New Orleans court not long since:
"Arrah, Sir," said she, "I'm shure he never made his mother smile." There is a biography of unkindness in that single sentence.

Children need sunshine quite as much as flowers do. Half an hour is not enough. Several hours are required. The most beautiful flowers that ever studded a meadow could not be made half so beautiful without days and days of the glad light that streams through space. Light for children. Sunshine for the little clyes that gladden this otherwise gloomy earth. Deal it out in generous fullness to them. Let the nursery be in the sunshine. Better

What a meaning and unique expression who was and how such evidence thereof, and how such evidence shall be preserved."

Insert as paragraph 11, a new paragraph, as follows:

"11. The legislature shall not pass private, local or special laws is any of the following enumerated cases, that is to say:

"Laying out, opening, altering and working roads or highways.

"Vacating any road, town plot, street, alley or public grounds.

"Regulating the internal affairs of towns and counties; appointing local offices or counties; appointing tocal offices or commissions to regulate municipal affairs.

"Creating drawing, summoning or empancilling grand or public officers during the term for which said officers during the term of a light to any corporation, association or individual any exclusive privilege, immunity or franchise whatever.

"Granting to any corporation, association or individual the edited to a sum of th plant roses on the dark side of an iceberg than rear babies and children in rooms and alleys stinted of the light that makes lefe.
